## COVID -19 VIRUS

---

At McVay Brothers the safety of our staff and customers has always been our top priority. During this unprecedented time, we want to assure you that we are taking every precaution we can to make sure this continues. Although our employees are likely low risk, we have reaffirmed with our employees the importance of proper hygiene to help with the spread of this virus. In addition, we have implemented several new policies to help limit personal contact and social distancing as we continue to do our jobs. Our installers will now:

- 1) Eliminate hand shakes.
- 2) Will complete all paper work with customers verbally.
- 3) Discontinue sharing of any personal space items (Phones, computers, pens, etc.)
- 4) Communicate when at all possible via phone/email.
- 5) Promoting frequent and thorough handwashing.
- 6) Maintaining regular jobsite housekeeping and disinfection practices.
- 7) Stay home when not feeling well.
- 8) Estimates will now be offered on a "drive by" basis on request.

McVay Brothers has been the Inland Northwest's premier remodeling contractor for over 60 years. We have deep roots in this community and an outstanding staff of local employees that will be here to service you for years to come.

Thank you for your patience and understanding.
